Policies

Purpose

Our purpose is to provide a safe, nurturing environment that promotes physical, social, cognitive and spiritual development of young children in a Christian environment.

Enrollment/Admission

Grace Point Church Mom's Day Out Program serves children ages 3 months through the age of 5 years old. No child shall be discriminated on base on race, color, religious belief, or gender. Children with special needs including mental/physical handicaps and serious disciplinary problems will be individually assessed. An enrollment package must be completed prior to your child entering the program. Your child will not be allowed to attend class until a complete and accurate enrollment package is submitted. This includes statement of health, discipline guidelines and financial agreement. It is the parent's responsibility to update the information as needed.

Location, Days & Times

The program will be held at Grace Point Church, 1201 McCollum Road, Bentonville, Arkansas. Days of operation are Tuesday, Wednesday and Thursday from 8:30 AM to 2:00 PM and will follow the Bentonville School District Holiday schedule and inclement weather policy.

Program Cost

| Age | Registration Fee | Number of Days | Monthly Charge |
|----------|------------------|----------------|----------------|
| All ages | \$25.00 | 1 | \$100.00 |
| All ages | \$25.00 | 2 | \$190.00 |
| All ages | \$25.00 | 3 | \$275.00 |

Payment is due by the 1st Tuesday of each month for the entire month. Any situation, in which a parent does not wish to pay the full monthly tuition, will result in the child being dropped from the program.

This will require the child to re-enroll or be placed on a waiting list. To re-enroll, a new registration fee must be paid. ****Paid fees are non refundable.**

We have a very low child to teacher ratio and that is based on the days your child will be here. Therefore, there is no discount for days your child will not be here.

There is an initial charge of \$5.00 and a \$1.00 per minute after thereafter.

Payment Methods

We will accept checks, money orders or cash for tuition.

There will be a \$25.00 fee for any insufficient check. The amount of the insufficient check must be paid in cash as soon as you are notified that the check has been returned. The return of a second check may revoke you the privilege of paying by check. If your account is not paid in full by the 15th of the month, your child may not attend MDO until the account has been paid. Late accounts must be paid in full by the close of the month, or your child will be dropped from the program. To re-enroll, you will need to pay a new registration fee and all past due amounts. If space is not available, your child will be placed on the waiting list.

Discipline

Young children are in the process of learning and understanding how the world works and sometimes they don't have any idea of the consequences of their acts. The process of discipline is to help teach children appropriate ways to meet their needs and to stop inappropriate behavior. The word discipline means "teaching" and that is exactly what Jesus did with his disciples. Our caregivers are responsible for the following guidelines:

- Encourage children to love the Lord (demonstrated by obedience) and to love their neighbor (treat others as you want to be treated).
- Redirect behavior
- Offer a choice
- Talk through problems
- Set clear limits (use the word "no" as little as possible).
- Provide an opportunity for time out (children two years or older - must not exceed one minute per year of the child's age).
- Contact the director if the above options have been taken without any change in a child's behavior
- Contact the parent if removal has not been effective
- Understand that effective discipline does not include ridicule, sarcasm, threats or withholding any sort of care from a child
- Effective discipline should NEVER include any sort of negative physical touching (spanking, slapping, swatting, tapping, shaking, pulling, biting back, and grabbing face or limbs).

It is our desire to demonstrate to children that our caregivers are loving and considerate people who want to show them *God's* love.

Time-out shall not be used for children under two years of age. However, brief separation from the group is acceptable when a child's behavior endangers him or endangers others. Then a child may be placed in a supervised area away from the group or in a crib or playpen while the teacher attends to the situation. (Example: A child who has bitten another child could be briefly removed from the group while a teacher attends to the bitten child and the other teachers attend to all other children.)

Complaint Procedure

If you have a complaint or concern:

1. Pray about it. Ask that God will help you make the complaint in such a way that it will result in the betterment of the program.
2. Express your concern promptly and clearly.
3. Concerns about the MDO policy should be addressed directly to the Director. Concerns regarding classroom condition should be discussed with your child's teacher. After the discussion with the child's teacher, if you feel that the results were not satisfactory, the next step would be to contact the MDO Director.
